## NOTIFICATION

18 April 2020

TO ALL: **REGISTERED VALUERS AND PROPERTY MANAGERS**

Dear sir /madam,

### **WORKING DURING MOVEMENT CONTROL ORDER**

The Board has received numerous enquiries from registrants on whether valuation and property management services form an integral part of *essential service* and if so, there should be no restriction on working as usual.

Arising from the enquiries, the Board had written to various Ministries to obtain further enlightenment on what constitutes essential service and whether valuation and property management is inclusive. The Board had received a reply from KPKT wherein they had included property management as part of the essential service provided always only two (2) staff are allowed to work during fixed hours at each strata property.

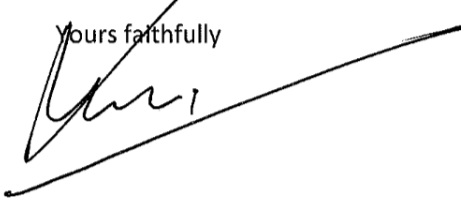

However, many property managers find this number inadequate and have requested the Board to seek full exemption. Towards this end, the Board had written to MITI to exempt both valuation and property management services

from the restriction and had provided the full list of valuers and property managers to them.

Moving forward, all valuers and property managers who wish to be granted full exemption are requested to apply individually to MITI.

Kindly be guided accordingly.

Yours faithfully
