TO ALL : REGISTERED VALUERS AND PROBATIONARY VALUERS

DATE : 17 MAY 2020

Dear sir/madam

DISTASTEFUL AND UNETHICAL PRACTICE

The Board is rather disturbed that some of its professionals are resorting to producing unbecoming and unethical brochures which does not reflect any form of professionalism. Recently, the Board had received numerous complaints from NGOs and fellow practitioners on the circulation of a brochure produced by a registered company which appears to be most unethical and unprofessional.

It is deeply regretted our professionals can promote such practice with impunity without applying their mind to the consequences of their action apart from failing to uphold their professional standards. The Board shall not condone such practices and would like to advise all registered valuers and probationary valuers that it would not hesitate to take immediate disciplinary action against any registrant found to have infringed any of the provisions of the Act and Rules made there under.

Yours faithfully,

R.MAHALETCHUMI
