Tuan/Puan,

Data and Compliance Report 2020 for DNFBPs and NBFIs

This circular is issued to inform and remind the reporting institutions on the recent issuance of Data and Compliance Report 2020 (DCR)¹ on 22 May 2020 to DNFBPs and NBFIs by Bank Negara Malaysia (BNM).

2. DCR is one of the supervisory tools adopted by BNM issued to all reporting institutions who are subjected to the AMLA and the AML/CFT and TFS for DNFBPs and NBFIs Policy Document. The DCR does not apply to licensed casinos carrying on gaming business under the Common Gaming Houses Act 1953. The DCR is a set of questionnaires that is designed to allow reporting institutions to self-assess their risks and vulnerabilities towards money laundering and terrorism financing as well as identifying areas and gaps for improvements needed to meet the AML/CFT requirements through a generated report card. The information will be used for AML/CFT monitoring and compliance improvement.

3. The DCR, its applicability and further guidance as well as information on its completion and submission can be accessed from the following links:
