Dear Sir/Madam

TENTATIVE CDP COURSES FOR YEAR 2023

Please be informed that the Board has been organising CDP courses since January 2022 for the renewal for the year 2023 at all states. For your information, for Sarawak the course is scheduled sometime in May 2022 and for Sabah in June 2022. We will advise you on the exact dates via a Circular at the Board's website once we have finalized the venue and the dates.

All RENs are compelled to attend the CDP courses in order for them to renew their REN license and should they fail to renew their license, the REN will be removed from the Board's Register.

The Board is encouraging all Registered Estate Agents to advise your RENs to attend these CDP Courses as the Board has received very poor response with regards to the attendance for the CDP Courses.

Kindly comply with the above guidelines.

Yours faithfully
